SUBJECT: Attached Draft

Dear Josh,

Enclosed is the draft material that I found and have had retyped. I really do not see any reason why it could not be given to Cook. Since you read rapidly, I would leave the final decision up to you.

The report includes the original statements we made to Glaser as well as some embellishments put in for Pitzer. Neither the report nor the letter was ever given to Pitzer, or in fact, to anyone. Actually, it sounds pretty good to me.

Norman
